Gambol Set for June 28... Planning Well Underway

The Schreiber High School Gambol is a time-honored tradition carried on for more than 50 years. Generously supported by Port Washington community businesses, organizations and individuals, it is a gift from the senior parents to the graduating class.

This year's theme is "Rhapsody in Blue." The famous jazzy Gershwin classic serves as a backdrop for sophisticated and elegant design ideas. The Hempstead House easily fits the bill as the Class of '08 will time travel to the Art Deco era of Jay Gatsby and the 1920s.

This year's class includes 360 graduates and, like Gambols of the past, Gambol 2008 promises to be the ultimate party, the last time the Class of '08 gathers together as Schreiber High School students.
